Environmental Pollution **52** (1988) 318–319

CONTENTS OF VOLUME 52

Number 1

Interaction of Endosulfan and Malathion with Blue–Green Algae *Anabaena* and *Aulosira fertilissima* 1
R. S. TANDON, RUP LAL & V. V. S. NARAYANA RAO (India)

Fluoride Effects on the Mulberry–Silkworm System 11
The late WANG JIA-XI & BIAN YONG-MEI (People's Republic of China)

Blood Lead Levels and Free Red Blood Cell Protoporphyrin as Measure of Lead Exposure in Mute Swans 19
J. O'HALLORAN, A. A. MYERS & P. F. DUGGAN (Ireland)

Multi-component Sorption Isotherms of Basic Dyes onto Peat 39
STEPHEN J. ALLEN, GORDON McKAY & K. Y. H. KHADER (UK)

Effects of Ozone and Simulated Acid Rain on Birch Seedling Growth and Formation of Ectomycorrhizae 55
KEVIN D. KEANE & WILLIAM J. MANNING (USA)

Caesium Selectivity and Fixation by Vermiculite in the Presence of Various Competing Cations 67
C. A. SIKALIDIS, P. MISAELIDES & C. A. ALEXIADES (Greece)

Number 2

Organochlorines and Eggshell Thinning in Northern Gannets (*Sula bassanus*) from Eastern Canada, 1968–1984 81
J. E. ELLIOTT, R. J. NORSTROM & J. A. KEITH (Canada)

Induction of Enzyme Capacity in Plants as a Result of Heavy Metal Toxicity: Dose–Response Relations in *Phaseolus vulgaris* L., Treated with Zinc and Cadmium 103
F. VAN ASSCHE, C. CARDINAELS & H. CLIJSTERS (Belgium)

Ozone-induced Nitrate Formation in Needles and Leaves of *Picea abies*, *Fagus sylvatica* and *Quercus robur* 117
G. H. M. KRAUSE (Federal Republic of Germany)

Aluminium Speciation in Surface Waters from a Welsh Upland Area. . . . 131
XABIER GOENAGA & DAVID J. A. WILLIAMS (UK)

Environ. Pollut. (**52**) (1988)—© 1988 Elsevier Applied Science Publishers Ltd, England. Printed in Great Britain

The Effects of Oil Spill Chemicals on Carbon Translocation Rates in *Phaseolus vulgaris* L. 151
E. J. DALY, JOHN HODDINOTT & MARK R. T. DALE (Canada)

Book Reviews 165

Number 3

Chemometric Studies of the Effect of Toxic Metals on Plants: The Use of Response Surface Methodology to Investigate the Influence of Tl, Cd and Ag on the Growth of Cabbage Seedlings 169
MAHMOUD A. ALLUS, RICHARD G. BRETETON & GRAHAM NICKLESS (UK)

Growth and Premature Leaf Fall in American Aspen as Bioindications for Ozone 183
TH. KELLER (Switzerland)

Levels of Lead, Cadmium and Other Elements in Mink and Otter from Ontario, Canada 193
C. D. WREN, K. L. FISCHER & P. M. STOKES (Canada)

The Effect of Thallium on the Growth of *Lemna minor* and Plant Tissue Concentrations in Relation to Both Exposure and Toxicity 203
K. H. M. KWAN & S. SMITH (UK)

Solubilities of Trace Copper and Lead Species and the Complexing Capacity of Riverwater in the Linggi River Basin 221
WEE TEE TAN, GAIK SEE TAN & I. S. A. NATHER KHAN (Malaysia)

Book Reviews 237

Number 4

Variations in Polychlorinated Biphenyl Congener Composition in Eggs of Mediterranean Water Birds in Relation to Their Position in the Food Chain . 243
S. FOCARDI, C. LEONZIO & C. FOSSI (Italy)

Photochemical Mutagen Formation from Aerobically Treated Night-Soil Effluent and the Contributive Substances 257
JUNZO SUZUKI, HARUNOBU MUROGA & SHIZUO SUZUKI (Japan)

Effects of Sulphur Dioxide, Hydrogen Fluoride and Their Combination on Three *Eucalyptus* Species 265
FRANK MURRAY & SUSAN WILSON (Australia)

Root Growth Responses of *Anagallis arvensis* L., Primulaceae to Air Pollution . 281
FAREED A. KHAN & A. K. M. GHOUSE (India)

Acute and Chronic Toxicity of Triphenyltin Hydroxide to Fathead Minnows (*Pimephales promelas*) Following Brief or Continuous Exposure 289
ALFRED W. JARVINEN, DANNY K. TANNER, EDWARD R. KLINE & MICHAEL L. KNUTH (USA)

The Effects of a Simulated Acid Precipitation on Leaf Litter Quality and the Growth of a Detritivore in a Buffered Lotic System 303
ANNE GARDEN & RONALD W. DAVIES (Canada)

Book reviews 315
